

Greetings

Celebrating our 30th year as a Christmas store. So much more than a card shop — a virtual emporium of Popular Culture!

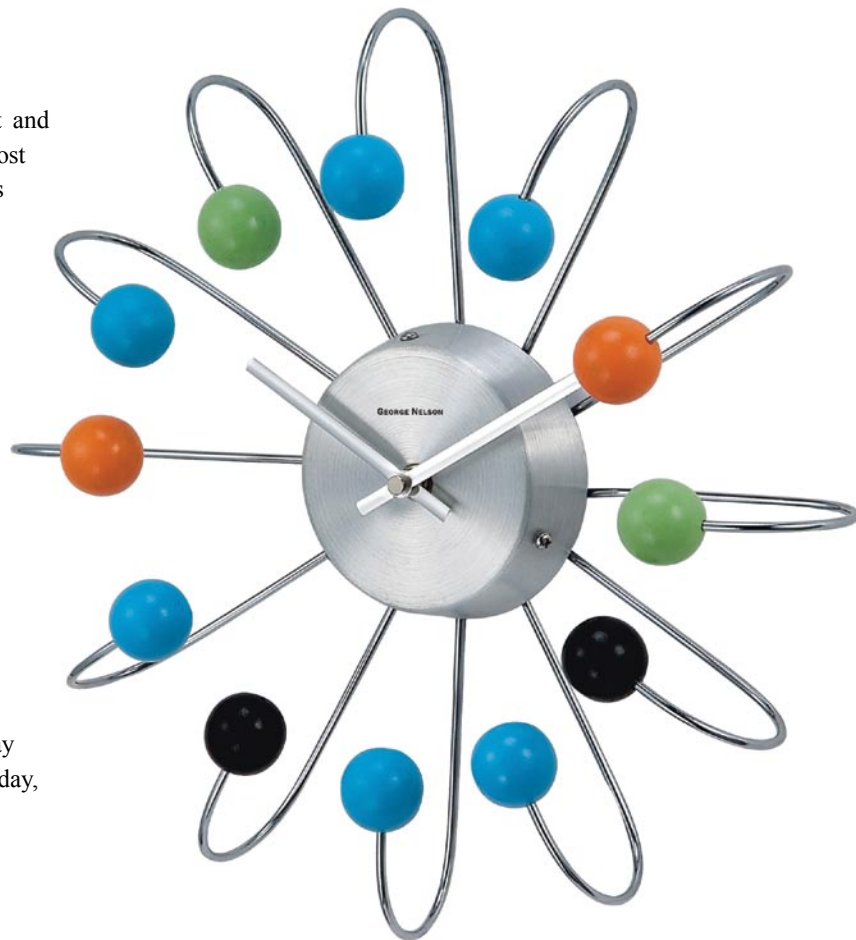

By LISA MARIE ROVITO

Love Palm Springs? So does Greetings. Coachella Valley's biggest and best card shop, also features the largest, most eye-catching selection of authentic Palm Springs and desert cards, gifts, and memorabilia. From retro Palm Springs postcards to mid-century modern books, if it's desert style, they stock it.

Even part-timers know this stylish haunt is first-stop shopping for everything Palm Springs, including boxed Christmas cards, books about the area and its famous past, and desert-chic wall art: classic Andy Warhol lithographs, mid-century clocks by George Nelson, and signs on wood. Complimentary gift wrapping with beautiful papers and loads of ribbon? Always.

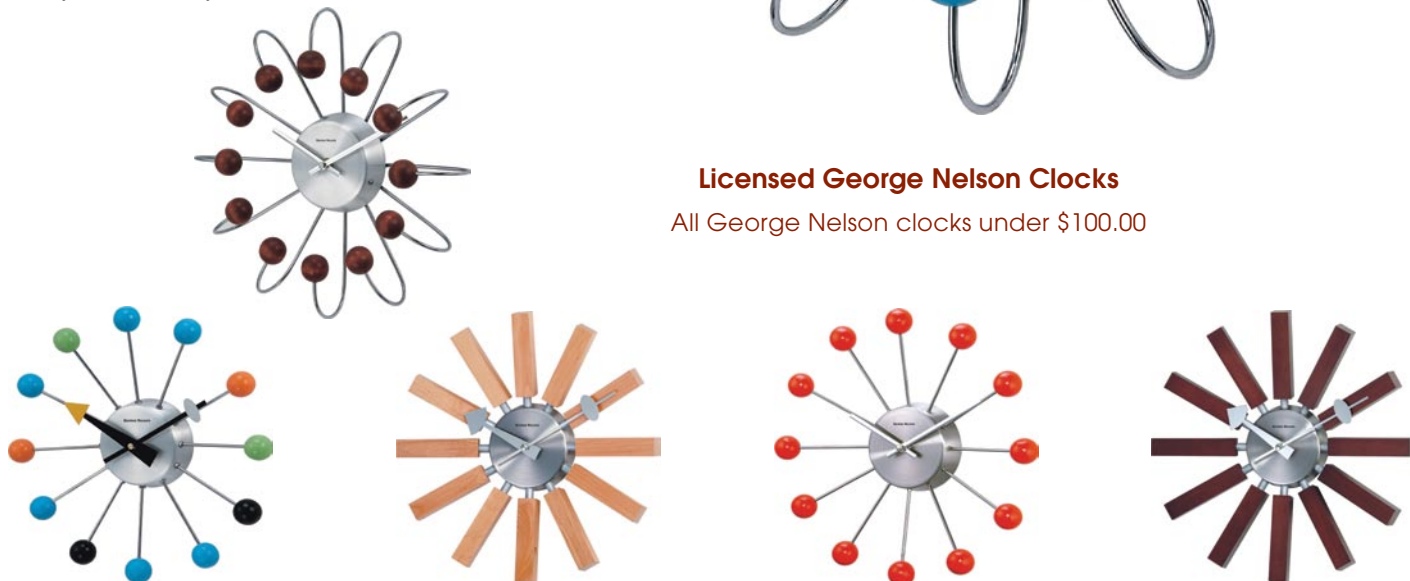

Greetings also happens to be the best resource in Palm Springs for affordable custom framing. They imprint party and wedding invitations, too.

Stop by in the heart of downtown Palm Springs — of course! Open every day 9 a.m. until 7 p.m., Sunday through Wednesday and 9 a.m. until 10 p.m. Thursday, Friday, and Saturday. ■
